- The rates are based on the full cost approach of 135 CHF per day care for children from 18 months until school entry.
- Children aged 3 to 18 months occupy 1.5 places and a full cost rate of 155.00 CHF.
- The individual contributions per child and day care within a week are added together and converted into a monthly flat rate by a factor of 4.2.
- For the occupancy of a half-day without lunch, 50% of the daily rate will be prorated.
- For the occupancy of a half-day with lunch, 75% of the daily rate will be prorated.
- The monthly rate remains unchanged for any absences of the child (holidays, illness, etc.). Company and public holidays are already taken into account.
- A 10% discount rate from the monthly fee is offered for a second and any additional child attending the nursery.
